Mr. John Stevenson,

Dear Sir,

I am the owner of quite a number of Argus Class A \$2.60 and Class B Preference Shares and have held them for quite a lengthy period.

I understand that Mr. John Cameron has requested and been granted Intervenor status at the Hollinger Inc hearing scheduled for 10 a.m. on Thursday, April 21st 2005.

Living in Calgary I am unable to attend the meeting in person but I would wish that the hearing could be informed of my full support for the presentation that will be made by Mr. Cameron at the meeting.

I sincerely trust that the above request will be taken into account at the meeting.

Yours very sincerely

Stanley Miller
